Somewhat weird flag design, but not that outlandish for a monarchy. At least it looks sort of like a monarchy flag. Now, some monarchies are awful (*cough* absolute monarchy is just a fancy form of dictatorship *cough*) but not all of them are awful, and it's hard to tell what kind of monarchy a nation might be just from the flag alone. Uh, the lions look kinda angry though.

5.5/10

AN:

Much simpler flag design. For some reason the "x" in the middle looks kinda militarist to me. No idea why. Don't really have a lot else to say. I'm sure the colors and stripes symbolize something, but to someone who doesn't know the symbolism, it doesn't say a lot.

Welcome to the Dunwich Las Vegas Branch Offices, a "nation" inside a single building in New Vegas. (Might be more apt to call it a "death trap" than a building, though.)

We're best known for our feuding gangs, widespread practice of cannibalism, chronic mental illness, radiation poisoning, rampant chem abuse, and people killing each other just for food and water. But did you know that we also have non-Euclidian geometries, social experiments, a rich history of conspiracy and sordid affairs, eldritch horror, and chems made from modified FEV?

Come to the Dunwich Las Vegas Branch Offices! You'll be violently assaulted by starving cannibals in 30 minutes or less! Guaranteed!

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you have WAY too much time on your hands.
