Listening to this whole album.

But that's only because you have good taste ;)

Listening to myself diddle around on my acoustic. Even though I shouldn't, because my fingers are still sore, and I should be packing up my apartment... Curse you, love of music!

Only thing I don't like about Assassin's Creed is their publisher. Fuck Ubisoft.

Led Zeppelin - Dazed and Confused (Celebration Day)

Much better than the Song Remains the Same version I listened to earlier ;)

EA sucks too. I haven't played an Activision game nor kept up with their activities since Tony Hawk, so I can't speak much on them.

Led Zeppelin - Stairway to Heaven (Celebration Day)

Possibly the greatest version of this song I've ever heard :)
