Over the past few years they've probably been the most well-known person on F7

The Republic of Drongonia

The MT powerhouse of Oceania. New Zealand but richer.

I would say extremely well known. Yes, they don't exactly have too high of a total post count as other famous nations that you sometimes see around but I feel like their fame has spread all around the forums and outside of it.

Personally, I've never seen this person in my life. Though they are probably known in other forums.

All NS Stats are canon.

Oh, and I guess you can make up anything else about this nation, like geography and such, based on your own imagination. I don't really plan on writing lore on this nation, at least for now.
