Thats his wife?

When that music video first came out and I told my friends I thought she was hot they scoffed at me...

I haz a very diverse taste for teh wiminz, my friends'd probably think I'm weird for thinking she's hot as well. And yes, I'm pretty sure that's his wife (at least at the time).

When it comes to songs you can make love to/ do drugs to, you just can't beat some 80's rock.
