Muslim Man, son of Jewish mother and Christian father, becomes a zoophile and has sex with the demonic cybercow, that wasn't destroyed by turning into a cow at the last minute and running away in the smoke from the explosion, in bestial form, who gets pregnant in the human form.

The boy is exposed as a fraud for failing to kill the demon cybercow.

New Man is the son of the aforementioned couple.

Man goes to church, hoping that once he inevitably dies in this eternal cynical thread, he will at least spend his afterlife in Heaven

Remember, Bobby, what became of him
REMEMBER!
How he indulged a whim
REMEMBER!
Remember how he made a mockery
He shunned the crockery
Off to the dockery
DON'T BE LIKE HIM

The mixture of references to different parts of the thread causes the multiverse to collapse and reform, starting all anew with just fragments of the original multiverse remaining. (Yes, we doing a reboot, DC style!)
