A cozy, peaceful anarchist island community ≡ Totally reworking this nation so everything is WIP right now.

Our National Representative: Konkordija Vilmanë I mean technically they're not really a "leader" but deal with it.

If you haven't read our factbook; there reason we're as reactionary as we are,

the reason we hate imperialism, a good number of other races, and even why we exist as a militant church, is because our homeland was colonized by xenophobic racists, who later went on to kill a highly respected member of our community. We don't even want to invade anyone. We just want our continent back.
