★ **The Plurinational Socialist Federation of North America** ★

"To a world of liberty and equality for all!"

A council communist federation that emerged from the ashes of a period of mass social upheaval in North America.

This nation takes place in a world where humanity is in the early stages of expanding into space.

2/10 - not evil, just mindless.

by **Barapam** » Fri Mar 26, 2021 1:54 am

There's some potential to evil there, in the sense that you don't know what's going on with people who design a flag like that, they could be up to anything, good or evil! The colours look innocent though, so 4/10.

Honestly the red and black, the radiation symbol in the middle, and the communist symbolism all together makes a awesome, but evil looking flag!

If it were a pentagram in the middle, then sure...

But no, this is just an amoral company's logo, at worst. (Note: amoral is not immoral.)
