I actually like that song, even though I'm not sure how much I care about Deadmau5 as a whole.

I always like the meaning behind anti-war songs.

It isn't an anti-war song.

[Arcade Fire - The Suburbs \(Mr. Little Jeans Remix\)](#)

Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.
