Iceland

A former joke nation that is now my main nation.

*"Why is there no blue food? I can't find blue food - I can't find the flavor of blue! I mean, green is lime; yellow is lemon; orange is orange; red is cherry; what's blue? There's no blue! Oh, they say, 'Blueberries!' Uh-uh; blue on the vine, purple on the plate. There's no blue food! Where is the blue food? We want the blue food! Probably stores immortality! They're keeping it from us!"*

USA

From region, to region, for all to arise! This land is our future, this land is our prize!  
The sun lifts the spirits, the morning is here! We go on in freedom, in glorious freedom, right here!

Translation of the first words of the national anthem.

Long live King Mkyamba-Ngyamba Mako!
