Belinda Carlisle - *La Luna*.

Since Lillorainen's geography is currently being overhauled a 'tiny' bit, most information on it posted before December 12, 2018, is not entirely reliable anymore. Until there's a new, proper factfile, everything you might need to know can be found [here](#). Thank you. [#RetconOfDoom](#) (Very late update, 2020/08/30 - it's still going on ...)

["Them Changes"](#) by Thundercat.

Just so you know, this nation, in character, is a highly sexist, highly theocratic, and highly authoritarian state. (Though under the new guy, it seems to be improving a little).

I disagree with a lot of what this nation stands for. It was invented for its intrigue and ample opportunities for satire, not for its ideals.
