And as a bonus, I'll throw in *Granite* by Pendulum as well, since that's the one in my sig that I've had on repeat for the past week, whether that be the original or an earlier 2007 version I found on Youtube.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

Blues March
-- Art Blakey

<https://www.hvst.com/posts/the-clash-of-...s-wl2TQBpY>

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
