Post-2080 Kaywellian political parties (posting again because my last BN responded to the nation above me, not me):

1. Imperial Traditionalists (more "left-wing" of the two parties; advocates for the maintenance of Kaywellian cultural traditions while promoting freedom for businesses)
2. Kaywell First Party (more "right-wing" of the two parties; advocates for Kaywellian ultranationalism, total economic deregulation, and the elimination of protections for minority groups in the name of preserving Kaywell's purity and prosperity)

Imperial Traditionalists, though realistically I wouldn't vote for either of the two.

We do not have political parties and we do not hold elections, but if you were a Cavirfite citizen which political faction in the Technocratic Council and Great Tribunal would you support?

- A. Pro-Tortune Wing (Progressive-Conservative NiceGuy Nationalist with Social Democratic economics except without the Democracy)
- B. Neutral Wing (Moderate NiceGuy Nationalist with Social Corporatist economics)
- C. Anti-Tortune Wing (Technoliberal NiceGuy Authoritarian Democrats with Social Democratic economics)

By Democrat, I mean someone who supports Democracy.
