Yes, my nation might be very communist, but hey, at least I haven't want to war with another nation!

In the year negative a billion [Mynation](#) might not have been here.

In the year 2019 it was available, and I sniped it.

Now we have Mynation as it is known today.

Itapecerica da Serra

With it possible, Entro i nostri limiti

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
