Very, very slightly leaning towards yes, but not entirely, especially since it doesn't appear to be socialist at all.

No, thank you. My reason is primarily because if their NS policies are canon, then it is too much like a dictatorship for me.

Nah

In a world where the Spartacists won in 1919 and Trotsky achieved his world revolution, Russia's minority dumping ground in the Far East is undergoing an internal revolution. Led by a sly artist-premier and his technocratic posse, surrounded by a salacious secretive Civil Servants' society, factionalist scheming, and (literal) backstabbing.
