Well known, but based on personal experience, you were probably gone for a while.

Hello there. I'm **Simonia**.

Our nation has twenty-one provinces, four regions, and four capitals. And before you ask, Pink Castle City is called that for its pink castle, Pink Castle City's main building.

A native of Balder is already a rare occurrence. An RO from Balder is even more uncommon to encounter on F7. I've seldom come across Balder residents on GP, but it would be inaccurate to assume that Balder, and consequently its ROs, are unknown or, at the very least, not recognized beyond F7. Personally, I have not noticed your presence in GP (although I may vaguely remember encountering you in the World Assembly forums). This could be because to my very recent engagement in GP, having started just four months ago (and mostly sticking to the raider side of things). Thus, I would describe you as

fairly well-known in F7, less so in GP (based on my personal experience), and notably recognized as an RO in a GCR.
