Oh Coal Black Smith, Current 93.

spooky

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

*When I read the letter you wrote, it made me mad mad mad  
When I read the words that it told me, it made me sad sad sad.  
But I still love you so, I can't let you go  
I love you- ooh baby I love you.*
