I've seen this nation in a few other threads, so yes

I'd say this nation is about 85-90% representative to my beliefs. About the only difference between my nation and beliefs is that free markets are effective in a select few situations, and the compulsory organ harvesting is kind of screwed up

Very well known nation. He is branching out of F7 and is becoming a common sight in other forums, Those blue stripes are bcoming iconic for me already.
