Grateful Dead - *Doin' That Rag*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

“**Marshal I wrote:**

Pitbull - *Ocean to Ocean*

Some people (actually most) hate this song because it's not Toto Africa, but I like this song, and I can't stop listening to it.

Honestly, I'm surprised I'm not completely sick of "Africa" yet, despite having heard it probably several hundred times in my life, not to mention its resurgence thanks to stupid meme culture. I think the misheard lyric "I left my brains down in Africa" helps though.

“**Latin Islands wrote:**

a-ha - *The Sun Always Shines on T.V.*

The song that makes A-ha *not* a one-hit wonder, contrary to popular belief; it reached #20 on the Billboard Hot 100 in 1986. It was actually a bigger hit than "Take On Me" in the UK. Honestly, because TOM is another one of those songs I've heard entirely too many times, I probably like TSASOTV better now, and I've always been meaning to dig deeper into their post-1985/86 work.
