Dat Dere  
-- Art Blakely

<https://www.hvst.com/posts/the-clash-of-...s-wl2TOBpY>

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Get prommed :3

Yeah... Sorry, it's just my, uh, head kind of hurts. Hey, are you new to our squad? You're a little, uhh... *Shows Error in his sensors* short, for a Disassembly Drone. I'm Serial Designation N, nice to meet you. I'm kind of the leader of the squad in this city. That's not true, everyone tells me I'm useless and terrible. Wait, I'm not supposed to tell you that part! Biscuits! *Sighs* Well, honesty is the best policy. *Laughs* I also can't seem to remember the past 3 hours of my life, but I'm sure that'll sort itself out.

MAJOR WORK IN PROGRESS

REC Hello fellow citizens in the DOME

We are aware that there are some rumors about us but we would like to confirm that we are NOT a dictatorship despite the rumors. We are simply a necessary iron fist that are here to protect humanity from demons in exchange for your protection God and President Atlas demand your cooperation to serve God and the greater collective of humanity. We still would like to reassure you that we are a relatively normal place just like our neighbor Kanto who we deeply care about and hope are still around after these hundreds of years of our isolation. Maybe one day we will check on them once we have our own problems sorted out.
