I mean I've personally been living under a rock for the past few months in regards to this site but at least judging by how many of those 3-4-letter alliances are listed in the sig, I'd assume they're fairly well-known in whatever larger II circles there are nowadays.

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.
