Monkey 3579, working at a Minecraft server, banned 3581 for cheating. Then 3579 was thrown at the Sun.

Redo, this doesnt make sense.

Monkey 3581 was cheating and got banned by a monkey administrator in a Minecraft server.

Monkey 3875 said he had info on top tier politicians involved in the Epstein Scandal after being imprisoned.
He "committed suicide" when he was in fact murdered by Prince Andrew(indirectly), bludgeoned to death.
