Grateful Dead - *Shakedown Street*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Yellow Moon  
-- Neville Brothers

<https://www.hvst.com/posts/the-clash-of-...s-wl2TQBpY>

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.  
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

Zen/it - Top. On that note, I realised "lean" is a bad drug concoction after watching a Simon Whistler video about it a month ago.

My Bloody Valentine - *only shallow*

Listened to *Loveless* for the first time this morning. I can now no longer stop playing this song.

### Imperial States of Duotona

*Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!*

Nation reflects OOC views. NS stats are sent to the shadow realm.
