Reminds me of Latin, though I'm not nearly familiar enough with either language to be sure.

Says he's French. Apparently French I can detect better.

Igorrr-Grodji Ft indian Sonic

I love the voice from Indian Sonic.

"Igorrr (aka Gautier Serre) is a composer of electronic and acoustic music who mixes genres as widely-varying as breakcore, glitch, baroque, death metal, and trip-hop among others. He is based in France and has been composing music since 2006."

"Imagine what would be if a church organist goes crazy, learns to growl, masters the wisdom of working with sound on computer, learns to beat drums rhythms in the manner of Slipknot, plays drum machine à la Venetian Snares. His favorite musical instruments would be Latin guitar, he would listen to music of the Middle Ages and his hobby would be to collect old records. Have you imagined that? Well, Igorrr is something of this kind." - Dmitry Quarck"
