### What are you listening to right now? Part IV

by **Frisbeeteria** » Fri May 03, 2013 10:44 pm

Moving to a new thread, since the old one maxed out.

{There's some comedy thing on Showtime on in the other room. I don't spend a lot of time listening to tunes.}

Mayhem - Chainsaw Gutsfuck

I support peace in Israel and Palestine. The governments and people in power on all sides are an absolute disgrace, and their unwillingness to pursue peace is a disservice to the people they are meant to be serving. The status quo is not simply untenable; it is unquestionably unacceptable.

Oh really? Which "oil" nation has America invaded and conquered lately? You must mean America, which will overtake the Middle East as the world's largest energy producer in 5 years. That America will invade countries?

Pathetic how people actually start to believe their own mindless BS.

[Dub Trio-Not Alone \(Ft. Mike Patton\)](#)

Ugh, I hate this mindless Mike Patton worship. The top comment is "Mike Patton is the King Midas of the music industry. This song always makes me happy." THESE GUYS ARE GREAT WITH AND WITHOUT MIKE PATTON, and he has nothing to do with the instrumentation of the band as a whole. He just sings. I wish people would praise DUB TRIO instead of JUST THE VOCALIST. I like Mike Patton's work quite a lot, but god this Mike Patton god worship needs to stop. People did the same similar bullshit with Zu.
