SAN terrorists shoot up bar in Johannesburg, kill 37 white teens. South African PM Viljoen declares state of emergency.

Quite the opposite of today's situation, if you ask me...still, terrorism is never the way to achieve a goal, no matter how far-reaching.

Man from Kirkuk found dead in Soveinian dumpster after being missing for over five years

Didn't you hear of the case in New Venturas, when the cannibal White Glove freaks over at the *Clie-Maxe* casino found a random guy living in a shack in the middle of nowhere, knocked him unconscious with a Cattle Prod, and left him in there for a mailman to retrieve so they could cook him, eat him and then formally reintroduce cannibalism into their society which had been taboo since their tribal days before their unification with Mr. Weston?...

Probably not. It sounds insane and convulated out loud.
