What has the man verse ever done for me?
I have tried and tried to be a real citizen.

Ashotu user stops muttering to him self

This is the universes final moments!
I will make everything perfect!

I will become a god!

He shouts out.

I went for power crystals last time. I know more.

Yes, he let the darkness consume him.
continue his talking

But I need to LEVEL UP.
If only they knew what a perfect world was! IF ONLY THEY KNEW!
and he stopped.

Man watches as his entire universe implodes in on itself as now everyone and their mother at all points in time are time traveling, completley obliterating the space-time continuum.
