### RIP Little Brother (2001 - 2019) - (Death by Suicide)

This account was originally made by my little brother, and in his memory, I'm assuming his mantle. For those of you who once knew him, tell me everything you know of him when he last alive. I may not be like him, but I surely don't want his work to die.

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

The **North Sea Realm**, colloquially known as **Northaria**, established 1421 A.D. A British-Nordic nation with strong democratic traditions and an elective monarchy.

We use NS stats, with the exception of tax rates and the related stats. The Northarian population is an estimated 75.7 million.

Member and leader of the **Oceanic Treaty Association** and the **Arctic Council**, current president of the **Western European Union**.

I reject anything and everything political that I posted on here prior to 2019. She/her, please.
