I'm going to sleep now, fuck this. I'll play through the album as a full listening experience thing later/some other point.

I recently bought *The Roaring Sound of Percussive Banjos* (1965) from a thrift store for half a dollar and the New Orleans Swingers (featuring Mr. Strum) have an absolute banger of an instrumental rendition of Dixie as track 3. Not ashamed to admit it helped my decision to buy it. Shame I can't find it on YouTube to link, I absolutely would. Maybe I'll rip the audio myself.
