I guess. Very diverse band. Their earlier stuff, first album, and EP, are early examples of Death Metal, many early Death Metal bands cited them as an influence. They basically had a Speed Metal/NWOBHM-y style through most of the 80s. After Criss died, the band got a little more somber and did alot of Rock Operas and Progressive Metal through the late 80s and 90s. My favorite song of theirs, Believe, is kind of a Power Ballad-y, Progressive Rock/Metal thing.
