School, sleep, DnD session, and work on the Big Bad Wolf Program

Redacting/censoring is a great way of providing an IC explanation for not finishing a factbook.

The Borderlands are cruel but the Borderlands are necessary. The Siran have seen everything, everywhere and everytime. Trust the Siran. The Siran bring us hope, the Siran let us live. It is their generous will that we even exist, obey the Siran. The Siran are not your friend, the Siran are your commander, you are a subordinate. Just because you are a part of the greater whole does not mean you can see the greater whole. The classes are equal but the classes are structured.
