Elton John - Healing Hands  
From *Sleeping with the Past* (1989)

*I never dreamed, I could cry so hard  
That ain't like a man  
I could fly like a bird some days  
Had a place where I could land*

*I could have sworn, we were all locked in  
Ain't that what you said  
I never knew it could hurt so bad  
When the power of love is dead*

*But givin' into the nighttime  
Ain't no cure for the pain  
You gotta wade into the water  
You gotta learn to live again*

*And reach out for her healin' hands  
Reach out for her healin' hands  
There's a light, where the darkness ends  
Touch me now and let me see again  
Rock me now in your gentle healin' hands*

[Factbook](#)

*Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.*

Elton John - The Last Song  
From *The One* (1992)

*Things we never said come together  
The hidden truth no longer haunting me  
Tonight we touched on things that were never spoken  
That kind of understanding sets me free*

*'Cause I never thought I'd lose, I only thought I'd win  
I never dreamed I'd feel this fire beneath my skin  
I can't believe you love me, I never thought you'd come*

*I guess I misjudged love between a father and his son*

Male, 23, Indonesian

Major partner in free association with [Faraby](#) (that's my puppet/secondary nation IRL).

Elton John - I'm Still Standing

[Live performance, October 31, 1988](#)

*You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from you  
You'll wind up like the wreck you hide behind that mask you use*

*And did you think this fool could never win  
Well look at me, I'm coming back again  
I got a taste of love in a simple way*

And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind

I'm still standing yeah yeah yeah  
I'm still standing yeah yeah yeah

*Oh let it begin  
Let it begin  
Let it begin*

*Oh darlin  
You are the son of an evil man  
I know you hate yourself  
But you're nothing like him  
And it's over now  
You can pick yourself off the ground  
Cause your cool now  
And you're nothing like him*

*Slow down, you crazy child  
You're so ambitious for a juvenile  
But then if you're so smart, then tell me  
Why are you still so afraid?*

*Where's the fire, what's the hurry about?*

*You'd better cool it off before you burn it out  
You've got so much to do  
And only so many hours in a day*

*But you know that when the truth is told  
That you can get what you want or you get old  
You're gonna kick off before you even  
Get halfway through  
When will you realize, Vienna waits for you*

Billy Joel - She's Always a Woman  
From *The Stranger* (1977)

*And she'll promise you more than the garden of Eden  
Then she'll carelessly cut you and laugh while you're bleeding  
But she brings out the best and the worst you can be  
Blame it all on yourself 'cause she's always a woman to me*

*Oh, she takes care of herself, she can wait if she wants  
She's ahead of her time  
Oh, she never gives out and she never gives in  
She just changes her mind*

*She is frequently kind and she's suddenly cruel  
She can do as she pleases, she's nobody's fool  
But she can't be convicted, she's earned her degree  
And the most she will do is throw shadows at you  
But she's always a woman to me*

blink-182 - Adam's Song  
From *Enema of the State* (1999)

*I never thought I'd die alone  
I laughed the loudest who'd have known  
I traced the cord back to the wall  
No wonder it was never plugged in at all  
I took my time, I hurried up  
The choice was mine, I didn't think enough  
I'm too depressed, to go on  
You'll be sorry when I'm gone*

*I never conquered, rarely came  
16 just held such better days  
Days when I still felt alive  
We couldn't wait to get outside  
The world was wide, too late to try  
The tour was over we'd survived  
I couldn't wait till I got home  
To pass the time in my room alone*

Green Day - When I Come Around  
From *Dookie* (1994)

*I heard you crying loud, all the way across town  
Cause you been searching for that someone  
And it's me out on the prowl  
As you sit around feeling sorry for yourself*

*Well, don't get lonely now, and dry your whining eyes  
I'm just roaming for the moment  
Sleazin' my back yard so don't get  
So uptight you been thinking about ditching me*

*No time to search the world around  
'Cause you know where I'll be found  
When I come around*

*Well, I heard it all before, so don't knock down my door  
I'm a loser and a user so I don't need no accuser  
To try and slag me down because I know you're right*

*So go do what you like, make sure you do it wise  
You may find out that your self-doubt means nothing  
Was ever there  
You can't go forcing something if it's just not right*

*No time to search the world around  
'Cause you know where I'll be found  
When I come around*

*No time to search the world around  
'Cause you know where I'll be found  
When I come around*

*When I come around*
