Hmmm... that flag seems pretty optimistic, so 187 out of 666.

*The Onigiri Enclave is a highly progressive scientific largely secularist nation welcoming to all (as so long as you aren't a bee or a jaywalker).*

Sword and red circle give off a evil tone, but the white-blue bicolour balance it out. 5/10 in the evilness™ scale.

1/10

Partially inspired by the Third Odyssey mod for EU4, this nation is essentially a Byzantine successor state in South America that has fused together Ancient Greek Religion with Greek Orthodox Christianity. It mixes the aesthetic of Byzantium and Ancient Greece, with very open and liberal social values but with an Imperial Monarchy. NS stats are referenced but are not strictly followed to a T.
