Aren't water treatment plants supposed to clean sewage water and release it into rivers? In that case, you're not guilty, it's just a broken plant.

If you had a license for the acid and the duck was yours, then no punishment, but if you did not have a license for using the acid, you'd be sent to jail for 6 months for using restricted substances.

Impersonating the leader?

Depends. If you steal/scam or commit any crimes while pretending to be the leader (i.e. take advantage of it), 10 years +1000 dollar fine. If you just post a dumb social media post or make rumours or saying something false then no punishment.

Depends. Is the killer a Human Resource, Shareholder, or Citizen? Human Resources only have the right to work: transfer to a more strenuous and/or less paying job. You would get an award for murdering some criminals and also offered a job at the police department, though you would also be imprisoned for at least 5 years in prison.
