Jimi Hendrix - *Catfish Blues*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Mao Zedong Propaganda Song - *Sailing the Seas Depends on the Helmsman*

Not exactly for the politics. I can't stop listening. Very catchy.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.

I am telling you, these Communist songs are pretty darn catchy! I am apolitical about it, centrist-leaning-left, but politics and whatever they are singing aside, they really do are catchy!

Now listening to: [Tiến Về Sài Gòn! / Onward to Saigon!](#)

I think it's something about the traditional instruments in Boundless Longevity to Chairman Mao, tbh. [This song about Khmer-Vietnamese brotherhood is also pretty catchy.](#)

Onward to Saigon! is quite good, though.
