You might like this song Milks Empire, but I don't really know.

If not, you can try [this](#) and [this](#) song by them. I don't really know if I care for this band as a whole, but I dig these 3 songs.

Aphex Twin - Alberto Balsalm

Either this is what this song really sounds like or if these earbuds are doing something to the quality but there's a sound in the song that sounds like a nasty tug or scratch that didn't sound this way without earbuds. Otherwise not a bad song.
