NS stats are sometimes used(population isn't one of these times). This nation reflects some of my views.

Looks like some minor medieval duchy. 4/10 on the basis that the medieval
times weren't exactly the best, but 1/10 relatively.

We don't use NS stats.

3/10. Not particularly evil.

Zravvisk is the name of our species, but other people commonly call us "Space Dragons".

Don't meddle in the affairs of dragons for you are crunchy and tolerable with condiments.

A day in the Armada isn't too different from a Star Trek episode if almost everyone in the Federation was a dragon and spiritual.

Trying to collect every NS pokemon card. Almost 630 collected.
