WELL KNOWN

### **Trossikada, Land of the Trossi**

A fairly large tribal nation which hasn't been welcoming to outsiders, until recently. Tech level: Modern Tech.

NS stats aren't canon. Neither is my current flag (It's a Ukraine variation of the [canon one](#)).

3/10. Perhaps in UDS and FNR they are a bit known. Though outside of that, they have yet to prove themselves, all as far as I know, of course.

Ah, that explains a lot, especially the name. AN is quite well known, not just for posting on F7 a lot, but also their...non-mainstream and...outspoken political beliefs.

Seen AN around quite a bit, though mostly on F7. I'd say very widely known here, probably not known on sight elsewhere.

Arms Dealing, Blockade Running, Black Market Procurement, Mercenary Contracting. We get you what you want, where you want it, for a price. We also chose to not sign anti-piracy laws for a reason, it'd be a shame if your cargo went missing.

I've only seen them around cliché threads where they've found a niche even though they've got no factbooks so they're only moderately known.

**The Avant-Gardist State of Patagonia** ~~~ *Gauchos and Mapuches, orgies and parties, avant-garde art, futurism, syndicalism, the New Man, general strikes, the glorification of violence, spiritual nationalism, esoteric occultism, CIA spooks, Spartanian homosexuality, public sodomy, and more*

#### Triomphe du Surréalisme (1968)

- There are many things said about Patagonia but few actually know what goes on behind the Andes mountains. Tales of human depravation and man's inner darkest self run wild. A place where avant-garde culture flourish and the artist don't fear the censor. Where all live bold and free under the gaze of the Patron. Yet all dreams will come to an end soon...
