This is a puppet of the nation, Alevuss. I have the same political stance on everything when out of character. In-character, it's a despotate, required to hold elections and certain rights by Alevian constitution since 1999. Also, the colony is called Alevuss Puppet, but is sometimes referred to as Alevian Morocco.

Paradise Lost - Hollywood Undead. Parts fit my mood, otherwise I probably wouldn't enjoy it very much.
