An probably not.

I use NS stats that applies to everyone no exceptions **#JusticeForNSStats**
CANON INFO

Show Spoiler

The first part of the text discusses the importance of understanding the context of a document. It mentions that the context can be either local or global, and that it is essential to consider both when interpreting the text. The text also notes that the context can be used to identify the author's purpose and to determine the document's main idea.

The second part of the text discusses the importance of understanding the structure of a document. It mentions that the structure can be either linear or non-linear, and that it is essential to consider both when interpreting the text. The text also notes that the structure can be used to identify the document's main idea and to determine the author's purpose.

The third part of the text discusses the importance of understanding the content of a document. It mentions that the content can be either factual or opinion-based, and that it is essential to consider both when interpreting the text. The text also notes that the content can be used to identify the document's main idea and to determine the author's purpose.

The fourth part of the text discusses the importance of understanding the style of a document. It mentions that the style can be either formal or informal, and that it is essential to consider both when interpreting the text. The text also notes that the style can be used to identify the document's main idea and to determine the author's purpose.

The fifth part of the text discusses the importance of understanding the audience of a document. It mentions that the audience can be either general or specific, and that it is essential to consider both when interpreting the text. The text also notes that the audience can be used to identify the document's main idea and to determine the author's purpose.

The sixth part of the text discusses the importance of understanding the purpose of a document. It mentions that the purpose can be either to inform, to persuade, or to entertain, and that it is essential to consider both when interpreting the text. The text also notes that the purpose can be used to identify the document's main idea and to determine the author's purpose.

The seventh part of the text discusses the importance of understanding the source of a document. It mentions that the source can be either reliable or unreliable, and that it is essential to consider both when interpreting the text. The text also notes that the source can be used to identify the document's main idea and to determine the author's purpose.

The eighth part of the text discusses the importance of understanding the date of a document. It mentions that the date can be either recent or old, and that it is essential to consider both when interpreting the text. The text also notes that the date can be used to identify the document's main idea and to determine the author's purpose.

The ninth part of the text discusses the importance of understanding the location of a document. It mentions that the location can be either local or global, and that it is essential to consider both when interpreting the text. The text also notes that the location can be used to identify the document's main idea and to determine the author's purpose.

The tenth part of the text discusses the importance of understanding the format of a document. It mentions that the format can be either print or digital, and that it is essential to consider both when interpreting the text. The text also notes that the format can be used to identify the document's main idea and to determine the author's purpose.
