There's a band I know that is called I.E.M, which stands for Incredible Exploding Mindfuck....Yeah, I know a fair amount of weird names, and great song names. I get so bored of the lame song names like 'Lovin' You', and so on. I like names like "We Always Think There Will Be More Time...", and names like that.

oh absolutely i have to agree. although i find certain, all too common innuendos, (relating to sex, drugs, money) often equally "lame".

really great band

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
