Turns out the water man is just the ice man that improved his skills in such a way that he can now control two phases of water.

Fire man flees in anger.

In Italian it means

Anything is possible, within our limitations

Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.
