I am cold, can you hear?

Volatavia :: *land of the flying (flightless) birds*

Come and experience Volatavia—take in the views of our valleys and peaks, sit back by the shore and cool off with a beverage, or warm up at the [REDACTED] hot springs. Stop by for the [REDACTED] festivals, or our annual [REDACTED] celebration! There's so much to explore in Volatavia; book a trip, come visit, and stay away in the winter.

 proudly aroace!

Don't really know what NS-stats count and which ones don't, but population is under 50 mil. can't say this nation is 100% reflective of my IRL views, but I try to keep it close.
