[Tool - Sweat.](#)

Tool isn't really a Grunge band, but I do think their EP was most definitely a Grunge sound, and their first album Undertow was very grunge-like in nature.

I am a registered Independent, an enthusiast of Political and Economic history and an American Citizen.

Katy, try this song.

Is that steampunk music? Haven't listened to that in ages. ☐

You should listen to a band called Abney Park. They're pretty good.

All them other boys wanna wind you up, and take you downtown.  
But you look like the kind that likes to take it way out.  
Out where the corn rows grow. Row, row my boat.  
Floatin' down the Flint River. Catchin' us a little catfish dinner..  
Don't it sound like a winner, winner.  
Lay you down and love you right. That's my kinda night.

~ That's my Kinda Night, the new single by Luke Bryan.

I take that back after listening to this song, Evil Man. I guess I didn't like the first Abney Park song I listened to so I unfairly dismissed the band. :/

Confirmed I prefer Abney Park over the Clockwork Quartet. Gah, I like both. It all depends on my mood.
