I have fallen to the dark side when it has come to NStats. I hate them like I hate sand! They're course, rough, irritating, and they get everywhere!!!!

Pro= Socialism, Women and Mens rights, LGBTQ, Environmentalism, Equal Rights, Populism, Vegetarianism, Anarchism, etc.

Anti= Communism, Capitalism, Money, The Media, Politics, Political Parties, War, Government, etc.

NOTE: When you go to read my factbooks, open the "dispatches" section, not the "factbooks" section. All of the factbooks will be in there.

They're Martian commies... Yep. Well, either way, their civilization is highly advanced, being over a millennium from the present day.

They are an anarchist state on the planet Mars, with the entire population preaching science almost like a religion.

Edit: Ninja'd

They are a nation of Inklings from Splatoon. Inklings reach the age of maturity at age 14.

They have battle mechs, you should not give a gf a black rise as it is a bad omen in their culture, life does seem to be average there, if not desirable. Their government is tackling poverty through spending and corruption in their ranks is being battled

They utilise council communism and soviet democracy. As a communist, I tend to stray as *far* away from the soviet union as possible in possible futures, so its interesting they chose to embrace that.

Sick of the blatant propaganda on all the Omnan government websites? Check out this list of
