I can totally relate to the processing your transition through your OCs. I had an OC I decided was trans (neither of Kuroluce's leaders, however) long before my own egg cracked. Could understand perfectly how it made sense to her, but failed to apply any of that sense on myself for a good five long years.

Anyway, uh, the Mistresses offer their sincerest congratulations to President Hannah's continued progress towards her own self discovery. Or something.

Congress has passed a new bill increasing the nuclear stockpile to 80,000 warheads.

Oh yeah, *that's a good idea*. Yup. A very goooooood idea indeed. There's absolutely *no reason why WE would think that might be a bad idea*.
