Республіка Рюрідова - Королівство Вілкія

"For I was hungry and you gave me something to eat; I was thirsty and you gave me something to drink; I was a stranger and you invited me in; I needed clothes and you clothed me; I was sick and you looked after me; I was in prison and you came to visit me... Truly, whatever you did for one of the least of my brothers and sisters, you did for me."

Why does that make you freaky? Besides, freaky, eerie, dark, and creepy ass music is some of the best music out there in my opinion.

Thirty Nine, Karma to Burn.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
