Sorry, I wouldn't. Democratic socialism isn't really my favorite to put it in a polite way.

"Do or do not, there is no try."-Master Yoda

We are the New Galactic Republic. After the death of Emperor Palpatine and Darth Vader, the New Republic was formed to unite the galaxy under democratic rule and to also establish freedom and peace, the protectors of the New Republic are the Jedi Order, they are lead by Grand Master Luke Skywalker, the most powerful force user in the galaxy. **It should be known that we aren't based on the new Star Wars trilogy, we follow the Expanded Universe lore.**

We don't use NS-stats, it would be unusual considering the franchise we are based on.

Nah, I'd rather live in the more-or-less certain knowledge that the planet I'm on won't get deleted by any one of numerous overcompensatory superweapons, or caught up in a galaxy-wide war.
