Your nation is like a son. What it does right is your merit, as well as what it does wrong is your fault. When you praise it, be lucid and avoid exaggeration. Praising it too much can make it indolent. On the other hand, when you criticize it, be harsh, but do not ridicule it. Do your best to improve it, not through derision or disdain, but through good examples and dedication.

My favorite song of 2011.

I dispute that because I am not much of a Megadeth fan.

Megadeth is actually the most common band in my cd shelf with 11 albums. Motörhead is second with 8 albums >.>
I need 3 Megadeth albums more, then I have them all! Yes, I'm a fan x3
