I've seen them a few times on F7 although based on their posting activity, they seem to be more well-known in other threads so I'm guessing that they are somewhat known as a whole.

Perhaps noted once or twice, but not quite as commonly as some others.

Admittedly haven't seen them before. But they're the founder of a pretty sizeable region, and have been on the website for quite some time. I'd say probably relatively well known.
