Rapture City

- In the underwater city, two roles have emerged from the City's ongoing civil war: the **City Monitors** who defend the peace and the **Red Caps** who fight against unjust systems. The city's infrastructure is crumbling under its own weight and kinship is snuffed by the paranoia of totalitarianism. Yet the people would be in for a surprise as their virtual overlord have died many years ago as the oppression continues under his name...
- Not an 1-1 exact replica of **Bioshock** lore and **Rapture City**. Only the city's atmosphere and setting is maintained.

There is no primary banner, so based on several banners, it is a society that heavily values militarization and traditions.

They are prone to fantasy. Either mythologically or...real.

Everyone always uses the black market factbook...
Before ya'll talk about the horses:

<https://www.nationstates.net/page=dispatch/id=1215662>

Important Cultural ethics: [https://www.nationstates.net/nation=the ...id=1199646](https://www.nationstates.net/nation=the...id=1199646)

A theme that kinda fits the Empire's aesthetic:

IC Year: 3A 2

Tech: FTT

"LoL yOuR nS iSn'T pOsSiBIE!" Really? I had no idea!

I'm not the greatest at getting down all relevant information in a factbook so if anything needs clarifying or explaining just ask me in TG's.

The entire nation is highly urbanized though there is still a strange sense of peace throughout the cities

Hi, it's been a while. If you're seeing this then it means what I'm working on is not quite done yet. You can still read my old stuff but it's probably not canon anymore. I'll try to get something up soon. It may or may not involve wizards.

They built walls to keep the immigrants out Ior just to prevent typical wasteland raiders from entering)

Kabzeel, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-marxist)constitutional monarchy* with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "*Royal Socialism*", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.
